

News Release

GRANT ANNOUNCEMENT

May, 17, 2024

Kenora, ON

Keewatin Curling Club

The Keewatin Curling Club is pleased to announce it has been approved for a Grant through the New Horizons for Seniors Program. The Grant will allow the club to purchase a golf simulator and a supply of curling throwing sticks.

We are excited to begin the process of purchasing the approved items and having everything ready to use for the start of curling season in the fall.

This is another step towards the Keewatin Curling Club's vision of transitioning from a single use facility to a multi-use community center. The club could not do this without the support of programs such as the New Horizons for Seniors Program.

We would like to acknowledge and thank the New Horizons for Seniors Program for helping us to achieve our goal of community participation and inclusiveness.
